A close-up photograph of a hand reaching into a body of water. The hand is positioned on the left side of the frame, with fingers slightly curled. The water is a deep blue-green color, and the hand's entry creates a series of concentric ripples that spread across the surface. The background is a soft, out-of-focus expanse of water and sky, creating a serene and tranquil atmosphere.

## The Water Essence

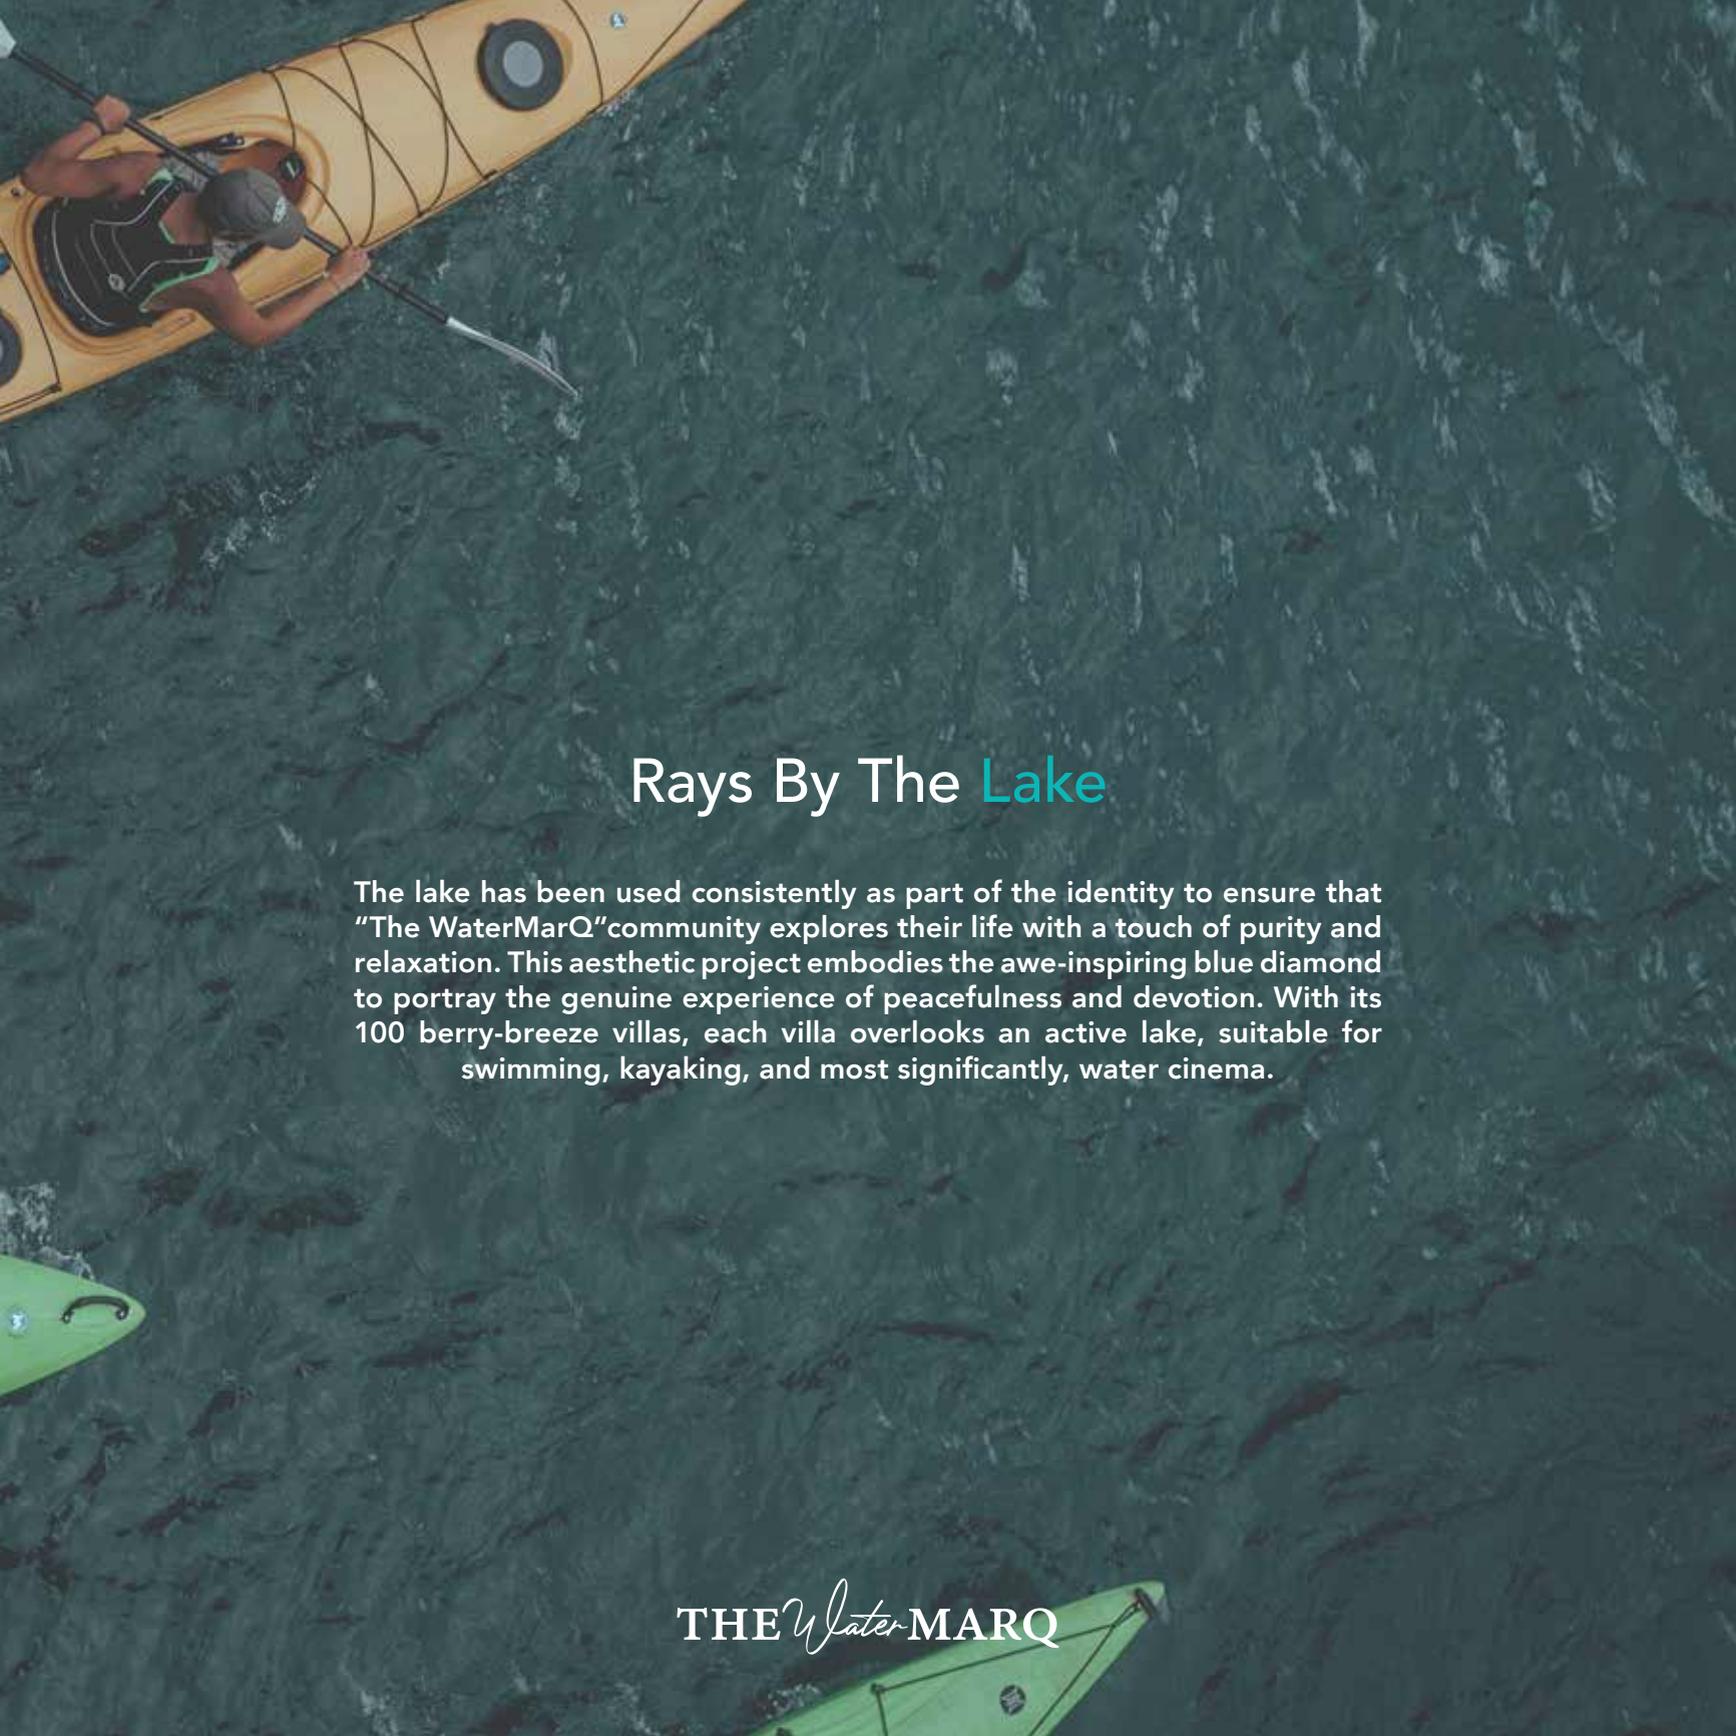

There is only one way to get the most out of tranquility beneath the sun. That is through moving to where the water flows. Nonetheless, "The WaterMarQ" enhanced the life of its community by bringing the vibes of a community through blasting them with peace of mind and enthusiasm.

An aerial photograph of a person in a yellow kayak on a dark blue lake. The person is wearing a dark life vest and a cap, and is using a double-bladed paddle. The water is textured with small waves and ripples. In the bottom left and bottom center, the tips of other kayaks are visible, one yellow and one green.

## Rays By The Lake

The lake has been used consistently as part of the identity to ensure that “The WaterMarQ” community explores their life with a touch of purity and relaxation. This aesthetic project embodies the awe-inspiring blue diamond to portray the genuine experience of peacefulness and devotion. With its 100 berry-breeze villas, each villa overlooks an active lake, suitable for swimming, kayaking, and most significantly, water cinema.
